8:00 or after would be ideal, so that we have a little time to make sure the iPad's we give you are ready to go. However, Myles will be there by 7:00, so really anytime after that is ok. Just let us know so we can plan accordingly.

Ok, so you would like to pick up 2 Arrow GPS units and 2 data collection devices on Monday morning, correct? Just please provide an estimate regarding when they will be picked up so we can ensure everything is ready to go.

Thank you

Subject: Arrow Unit, Shiloh Church Road Site

Hi Everyone,

Chris was looking for an Arrow unit (backpack and receiver) for her Shiloh Church Road site in Nathalie, VA. Would it be possible for [REDACTED] to pick up a unit on his way back to site Monday morning? If not, would someone be available to work with Chris and mail one to her?

Thanks,

Kevin
